Dear Mr. Brown:

I acknowledge and thank you for your letter of February 4, 1989, and your kind words of congratulation regarding our re-election.

I continue to appreciate the point of view you raise and note that there has been a change in responsibility in the Health and Welfare portfolio. As you know, the Honourable Perrin Beatty is now the Minister of Health and Welfare and I have provided him with a copy of your letter and encourage him to review all of the submissions that you have made regarding environmental sensitivity.

Thank you for your continued efforts in this area.

Sincerely yours,

Jean J. Charest
